COMPLETE PEACE OF MIND

with **TOYOTA GHANA CO. LTD.**

The Myth

Some people feel that:

Toyota is made the same for every market - 'Toyota is Toyota', irrespective of its final destination for usage. Well, is that True?

The Fact

Most customers are aware of the superior total benefit of Toyota Vehicles. However, what most customers might not be aware of is the risk of buying from an unauthorized Toyota dealer.

Why buy from Toyota Ghana Co. Ltd.

Toyota Ghana Company Ltd. is the **ONLY** company in Ghana authorized by the (Toyota Motor Corporation) under a signed authorized distributorship agreement to distribute durable TOYOTA VEHICLES, Genuine SPARE PARTS and the provision of Quality AFTER-SALES SERVICES.

Key Factors during Vehicle Manufacture

FUEL QUALITY: Toyota Motor Corporation (TMC) designs engines suitable for the fuel type in Ghana. For example, Peroxide Content, Total Sulphur Dye content, Water and Sediment, Kinematic Viscosity, Density.

DUST ENTRY PROTECTION & BODY RUST PROTECTION: Vehicles meant for Ghana are produced to withstand dusty and moist conditions to avoid rust.

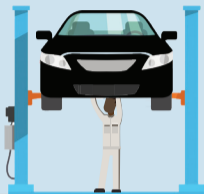

WEATHER CONDITIONS: Toyota Motor Corporation takes into the weather conditions of a particular country of intended use before manufacturing the vehicle.

CAUTION.

Buying Vehicles not suitable for the Ghana Market may result in :

- Lower vehicle performance
- Frequent break downs
- Higher Maintenance and repair cost
- No Warranty from the manufacturer.
